EARLY LEARNERS' 
SUMMER EXPERIENCE

Children Birth – Entering Kindergarten

Children Birth – Entering Kindergarten

Find a toy that will sink in water and something that will float.	Count the animals you see outside in one day.
---	---

Find at least 3 shapes in the illustration of a picture book.

Turn a box into a work of art.	Read a story featuring a race.
--------------------------------	--------------------------------

Dance to your favorite song wearing bubble wrap on your feet.

Choose your own art adventure.	Choose your own reading adventure.	Choose your own active adventure.
--------------------------------	------------------------------------	-----------------------------------

Eat a snack that's been made in a blender.

Play with soap and water.	Make a bubble wand.
---------------------------	---------------------

Paint a picture on anything outside that is not paper.

Attend a library event.	Find at least 2 balls and compare how they bounce.
-------------------------	--

Complete 10 activities from the squares.

Then, **bring** this **activity log** to your library for a **prize!**

Join us for fun programs this summer for ages 3-5!

First, **drop in** to our **Play Expo** for some **playful surprises!**

Kalispell: June 13 & 14, 10am-5pm
Columbia Falls: June 14 & 15, 10am-5pm
Bigfork: June 14, 10am-5pm

For the rest of the summer we will explore water, bubbles, things that bounce and more!
