# KIDS SUMMER EXPERIENCE

Join us for free science classes!  
Especially for children entering grades 1-5

- Complete **10 gameboard activities** of your choice.
- **Cross off** an activity after you've completed it.
- **Bring this gameboard** to your library for a prize!

Choose your own fiction reading adventure

## PLAY EXPO

Drop in to one of our locations for a sneak preview of our summer of play and enjoy favorite blasts from the past, too.

Kalispell: June 11 & 12, 10am-5pm  
Columbia Falls: June 12 & 13, 10am-5pm  
Bigfork: June 12, 10am-5pm

Retell a story using toys or props

Learn 5 American Sign Language signs

## FLY BY NIGHT

The nocturnal world is filled with activities that will delight your senses. Find out about creatures who use extraordinary sight and sound in order to survive the night.

Kalispell: July 23 & 24  
Columbia Falls: July 3  
Bigfork: July 31

## MONTANA MAPAPALOOZA

Enormous map of Montana? Check. Just add kid cartographers and Montana wildlife to take a trip through Big Sky Country.

Kalispell: July 9 & 10  
Columbia Falls: July 31  
Bigfork: August 7

Learn to use a new tool and make something with it

## MOVED BY ART

Test Newton's Laws of Motion and see the result in a work of art. Whether you are dancing or painting, this program will move you to create!

Kalispell: July 2 & 3  
Columbia Falls: August 7  
Bigfork: June 26

Create art outside using water

**TIMBER!** - Sponsored by RBM Lumber  
Sand, drill, and paint your own block of timber to create something terrific. Build a tower and demolish it with a wrecking ball. Whatever you do, yell "Timber!"

Kalispell: June 18 & 19  
Columbia Falls: July 24  
Bigfork: July 3

## BUBBLE WONDERFUL

What makes a bubble so special? Pop in to play with a dazzling display of spectacular soap suds.

Kalispell: June 25 & 26  
Columbia Falls: July 10  
Bigfork: June 19

## H2-WHOA!

Dive into our summer finale celebration of all things slosh, burble, and spout.

Kalispell: August 13, 10am-5pm  
Columbia Falls: August 14, 10am-5pm  
Bigfork: August 15, 12-4pm

Identify a constellation while stargazing
