We have volunteers who enjoy sharing their love of reading and will bring the materials you have requested or those the volunteer suggests to you.

This service is totally free of charge, but a valid Imagine!F library card is required. All items will be checked out to you and returned to the library by a volunteer.

In order to qualify for this service, you must be unable to visit the library due to age, illness, accident or disability, and have a valid library card.

To sign up for this great, free service, call Trish Shults at 406-253-8317. Please leave a message if no one answers. You can also fill out the information below and mail it back to us.
