PLAY FOREVER
What's it going to be today?
Big dreams? A galactic adventure?
You name it. We've got it.
Events, toys, and gaming.
You'll find those too.
No matter how many summers old you are
this card is your invitation to play
And like imagination
it costs nothing.
And it never runs out.

How to bind your book

Place your book's pages between the two cover pieces, holding them in place with clothespins. Punch four holes about an inch apart down one side. (ImagineIF kits contain pre-punched materials.)

What will your book become?

Sketchbook, dream journal, scrapbook, reading journal, habit tracker, naturalist's notebook, recipe book, diary, stamp collection...
