ImagineIF Libraries Offers Expanded Open Hours

Kalispell, MT - ImagineIF Libraries will expand their open hours starting June 15th. Enhanced safety measures are in place to protect the welfare of staff and customers; including social distancing signage and floor markings, quarantining books and other materials, and frequently sanitizing high touch surfaces. Patrons are encouraged to wear a mask, to swiftly find their materials and proceed to check out. The first open hour is designated for vulnerable populations to access the library.

Book returns will be open 24 hours, 30-minute computer sessions are available at each location, and curbside pickup will continue. ImagineIF Libraries will host virtual Summer Experience programs and workshops this year. Participants can explore, learn, and create in their own homes. Youth and adults alike can complete activities, earn badges, and win prizes using Beanstack reading challenge software, or by picking up a paper gameboard at any ImagineIF location. The library's virtual branch will remain open featuring unique virtual programs on YouTube, Facebook and Instagram. Find out more at: <https://imagineiflibraries.org/>.
