

# WHAT DO YOU THINK? JULY 2021

## **KALISPELL**

No date-Please bring back grab and go tables in middle.

6/15- Would you consider extending e books to 21 days instead of 14 days?

6/16- We love being able to pick up summer kits to do at home as we work M-F during the day and wouldn't be able to do otherwise! Please consider continuing this after COVID. Thanks!

6/26- I always enjoy my time coming to the library. Its always a wonderful experience.

6/26- The atmosphere in the library is very calming. I love to see all of the art on the walls. Overall, very nice.

## **COLUMBIA FALLS**

6/16- Are you going to have your used book sale this year in the mall? I want to also thank all of the library staff and the staff in Columbia Falls for the hard work you all did this past year in a difficult time. The staff helped us with finding books and such for us and our young grandson who we are doing remote learning with. Thank you for your time. Sincerely, Mrs. Laurie Valliere

6/22- Very helpful over and beyond.

6/25- I've only been to this library a couple times, but each time I was welcomed with such warmth and kindness. I appreciate the hospitality, plus the masks provided! Thank you! Natausha
