So impressed with the online ImagineIF site! It far surpasses other Montana sites!

Good Job!

Thank you for the amazing library. This library & its wonderful staff really helped our family get through the pandemic. Support our librarians, they are amazing!

You're awesome! Without your help I don't know where I'd be... I need a lot of extra help coz of a severe TBI almost 8 years ago.

Please stop trying to get rid of books in our system. Do NOT tell me what I can or cannot read as an adult. You are an embarrassment to us all when you act this way. Grow up!

I love libraries and have the Montana Library support license plate. Libraries are a vital part of communities in order to love one another as Jesus (not egotistical Republicans) commands.
