ImagineIF Welcomes New Branch Manager at Columbia Falls Library

Columbia Falls, MT – ImagineIF Libraries invites the public to an open house to welcome new Branch Manager Liz Camarillo. The celebration will take place at ImagineIF Columbia Falls on June 7th from 4-6pm. Stop in for refreshments as the library welcomes Liz and says thank you to Tony Edmundson for his years of service as Columbia Falls Branch Manager.

Tony will be transitioning to a new role as Adult Services Librarian, based in Kalispell. "In my six and a half years working at the Columbia Falls Library, I have come to know what community means. I've discovered a more intimate picture of what working together can accomplish through the eminence of our schools, the immeasurable impact of our nonprofits, and the soundness of our local government," he said. "I'll be able to take part of this with me to continue my work with the Kalispell community, and for that I can't thank the citizens and the leaders of Columbia Falls enough."

Liz started working at ImagineIF Libraries in February of 2016 as Courier and transitioned to Library Advisor at both Kalispell and Columbia Falls locations in February of 2020. Due to her customer service skills and knowledge of library operations, she thrived in the position and was a clear fit for the Branch Manager role in Columbia Falls.

Tony said, "I am so happy to introduce the new manager of the Columbia Falls Library, Liz Camarillo, whose qualities of character and professionalism you will soon come to know and appreciate as I have. I see in her someone who will continue our partnerships, and seek out new ones. I trust her to uphold the values of our community library, to be a resource for our citizens, our families, and our children."

These new changes come amidst a shift in management at ImagineIF, designed by the new Director, Ashley Cummins.

ImagineIF Libraries encourage exploration, fresh ideas and self-discovery. ImagineIF offers activities and services for all ages. For more information, visit www.imagineiflibraries.org.
