Re: Library Board Letter of Interest and Application Packet

Dear Commissioners:

I hereby state my intent to fulfill the vacancy on the Library Board. Attached to this email you will find my completed application packet.

I am able and willing to take on this tremendously important role in service of our community. As a solo practitioner, I have good control over my work calendar. I will prioritize the duties as a board member. I am a mother of three children. My oldest is an avid reader. He is a primary source of inspiration for my application. Finally, I have the skillset and experience the board needs. Be it technical knowhow, experience developing programming or events, or fundraising, you will find me to be a reliable asset to the board.

Thank you for your time.

Abby J. Moscatel
