Flathead County Commissioners  
800 S. Main  
Kalispell, MT 59901

Dear County Commissioners:

I am writing to express my desire to be considered for the position on the Flathead County Library Board.

I have been a fan of the Flathead County Library (now ImagineIF) for a very long time. Growing up, my father's office was in a building across the alley from the library, and it was a second home for me. I can still remember the big desk behind which the librarian stood and greeted people when they arrived, and the blue biography section in the basement of the library.

Before nostalgia gets in the way, I will admit that I have made a profession of helping people in libraries. I have a Master's in Library and Information Science, and have worked in a large variety of libraries in many places in America. Because of my husband's profession, we moved frequently, and having the skills of a librarian helped me to find employment in a variety of venues.

My application follows this letter and will, I hope, fill in more particulars about why I would love to serve, and why my skill set makes me a viable candidate. I would welcome any further inquiries.

Sincerely,

Jane Ennis Wheeler
