ImagineIF Conducts Community Survey

Kalispell, MT - ImagineIF Libraries is updating the library's Strategic Plan, and is seeking input from the Community. Led by Tracy Cook, Consultant for the Montana State Library, the strategic plan is being developed in cooperation between the Library Staff and Library Board. Community input is critical for defining the goals and priorities of the Strategic Plan.

"A Strategic Plan is an important component of moving forward and continuing the library's work to provide excellent library services to the people of Flathead County" says Ashley Cummins, ImagineIF Libraries Director. "The library belongs to the people of this community, so we are looking forward to hearing their voices."

The Community Survey will be available through Tuesday Sept. 27th, and can be accessed at <https://tinyurl.com/imagineifsurvey>. The results of the community survey will be an important part of the Library Board's Strategic Planning retreat, scheduled for Monday October 4, 2022.

Questions or comments should be directed to asklib@imagineiflibraries.org.
