ImagineIF Libraries Hosts DIY Mending Workshop

Kalispell, MT - ImagineIF Libraries, Functional Design, Super Bloom, and Grounded Here have teamed up to host Re: Apparel – DIY Mending Workshop on April 22nd from 10am-1pm at ImagineIF Libraries in Kalispell. At this FREE Earth Day event, learn how to reduce textile waste by mending and repairing gear and clothing. Bring an item that needs to be repaired and work with local professionals to mend it. Try your hand at darning, patching, and visible mending.

Don't have a project to work on? Come make a fabric patch to take home, learn mending techniques to use in the future, meet other people that like to fix things, learn about local environmental initiatives, and check out books on DIY mending. Participants will be entered into a drawing for a sewing machine. RSVP recommended. Sign-up at <https://imagineiflibraries.org/education/adults>.

ImagineIF Libraries' mission is to provide safe and fair access to information for everyone in Flathead County. For more information, visit www.imagineiflibraries.org.
